

6 Margate

D'Entrecasteaux Channel, Tasmania

Margate

Directly off the Margate Marina's crane, this mooring is centrally located to the Channel and Hobart. For those needing to repair or upgrade anything connected with their boat, go ashore and talk to Tim Oxley at the Marina. Direct vehicular access to the area is via Marina Drive. The area is locked at night, providing you and your boat with security. The Marina also boasts a private boat ramp for your tender, plus a carpark, in addition to a full range of slipway facilities. This mooring is protected from the north and south, with Nebraska Beach and Island Shack's Carrington Cottage approximately 8km directly to the east.

About Island Mooring

Island Mooring is a groundbreaking, family-owned Tasmanian business whose owners wish to share their passion for boating around our island state. We provide short- and long-term mooring facilities for all types of craft, as well as offering a cruising route within the D'Entrecasteaux Channel. All moorings are registered with Marine and Safety Tasmania and are maintained in accordance with their guidelines and best practice.

Cruising Route

Our cruising route presently consists of nine professionally maintained swing moorings within the Channel and its northern approaches. Gone are the days of having to find a safe anchorage at the end of an otherwise relaxing day on the water. For an annual fee, boat owners now have the security of being able to book and use any number of moorings for short periods of time, year round, otherwise free of any charges. Cruise when and where you choose.

We are continually adding to our inventory of moorings, and would welcome suggestions from boat owners for new mooring locations and other cruising routes.

Fees

Subscriptions to our Channel cruising route are \$200 a year, with mooring numbers and GPS fixes supplied when you subscribe. The subscription entitles you to free, short-term use of any, or all, of our cruising route moorings for 12 months. Contact us for terms and conditions, or to hire one of our other moorings on a long-term basis.

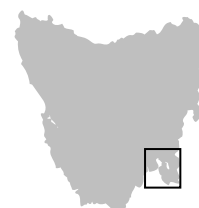

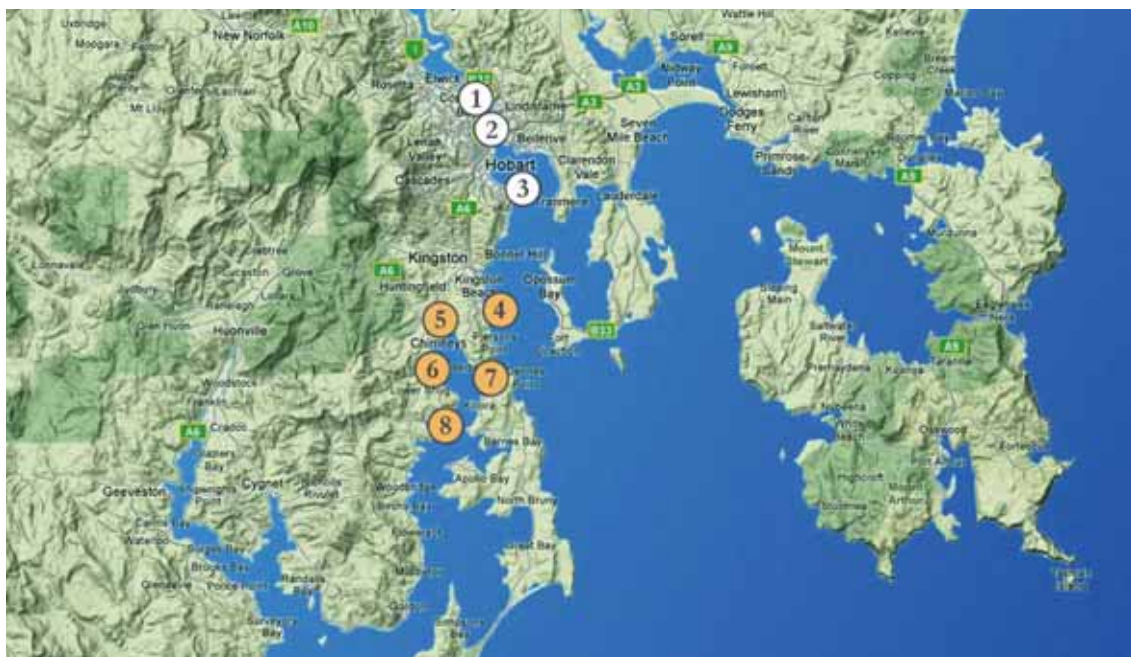

Happy cruising!
